

Wonderland

Welcome!

We're so excited that you're joining us in Wonderland!

Wonderland starts with the **funathon**, which is your chance to meet your future teammates and have fun without worrying about your projects.

On Saturday morning, you'll choose your team and start making!

What are suits?

You might be asking yourself: "Self, why is my badge different from everyone else's?"

The design on your badge is your **suit**, which is your team you'll be earning points for throughout the event!

Earn points by winning games or activities:

if you win a board game or video game, **snap a photo and send it to an organizer to get points!**

The suit with the most points gets first dibs for food and the Ice Cream Extravaganza!
